Broadfields Roland is a very deep, dark red roan son of Divide Grand Duke and out of a red Rosewood son by the \$1800 son of the Imported Collynie Royal Barrage. This shortlegged, smooth, compact bull is bred to produce good calves and will soon be ready for service. His breeding is faultless, study his pedigree. Broadfields Roland is a grand calf with excellent bone and style, a real prospect and it might be well to look him over.
